2023 CABERNET SAUVIGNON
NAPA VALLEY

Crafted in homage to the goddess Flora, this Napa Valley Cabernet Sauvignon reflects balance, depth, and the timeless rhythm of the vine. The twin goddesses on the label symbolize nature, transformation, and unity—mirroring the wine's journey from vineyard to bottle.

EXPRESSIVE · HERBACEOUS · INTRIGUING

Opens with blackcurrant and wild berries, layered with a hint of licorice and dark fruit depth. A lift of white pepper reveals savory notes of fennel, sage, and dried earth. Finely textured tannins with a crushed-stone edge provide structure, while hints of bitter chocolate and dark cherry add richness through a long, elegant finish.

✴ *"We captured depth and detail—layering dark fruit with a structure that feels both powerful and refined."*
–Gina Gallo-Boisset, Director of Winemaking

THE DEBUT LABEL

At its center, twins arch toward one another, honoring a California poppy that blooms between them. Above, a monogram flanked by the moon and sun, acting as a modern North Star. The intricate floral design frames the composition reminds us of the enduring relationship between humanity and nature.

VINEYARD & WINEMAKING

Sourced fruit from vineyards in both Rutherford and Oak Knoll - two of Napa Valley's most distinguished AVAs with distinct qualities. From Rutherford, the signature crushed stone minerality, and powerful structure. Oak Knoll lends a soft tannin profile and plush character. Napa Valley experienced one of the longest growing seasons in a decade. With consistent, mild weather throughout the season, and extended hang time, 2023 was an exceptional, memorable vintage.
