In the summer more often than not you can find me in the great outdoors. Whether it's exploring nearby sites such as the Oat Hill Mine Trail or places further afield such as the Plumas National Forest or the Sierra Buttes in Tahoe National Forest (where I'll be the last week of July), spending time outside in beautiful, natural settings is my favorite thing to do.

I love its notes of tropical fruit and melon, and how crisp and refreshing it is going down. When it's time to barbecue a steak or some ribs, the Napa Valley Cabernet is just the ticket. I think the 2013 is one of the best vintages yet!

Cheers!

While I'm known to pop a beer or two after a long, arduous hike, when it comes to meal time I'm more likely to open a wine like the 2015 Sauvignon Blanc in your shipment.

2013 Napa Valley Cabernet Sauvignon

The grapes for our 2013 Napa Valley Cabernet Sauvignon were grown in some of Napa Valley's most prestigious appellations, including the mid-valley regions of Rutherford and Oakville. The wine is predominantly Cabernet Sauvignon blended with small portions of Merlot (7%), Malbec (3%) and Petit Verdot (2%) to add complexity, color and deep flavor. The 2013 growing season in Napa Valley was one of the finest on record, and this wine bears its stamp: a rich, beautifully extracted Cabernet Sauvignon offering an opulent nose of blackberries, crème de cassis and roasted espresso beans. The palate unfolds with a lush core of black fruit and black licorice accompanied by warm, spicy notes of clove, sandalwood and a hint of cedar. Supple tannins frame the full-bodied mouthfeel of this classic Napa Cab, which leaves a lasting impression of fruit and spice.

2015 Napa Valley Sauvignon Blanc

Our estate vineyard in Napa Valley's Oakville appellation is the source of our 2015 Napa Valley Sauvignon Blanc, a site that has been sustainably farmed by our family for over two decades. We grow two Sauvignon Blanc clones in this vineyard; 62% of this wine is from our proprietary Soliloquy clone, while 38% comprises the aromatic Musque clone. Aged in a combination of stainless steel tanks, large wooden oval casks, concrete tanks and small oak barrels, this wine offers bright fruit flavors of grapefruit, passion fruit and mandarin orange with subtle floral notes of honeysuckle and orange blossom. The wine has a broad, creamy mid-palate with perfumed notes of lychee nut and Asian pear, and there's a slightly nutty quality that adds to the complexity. The finish is spicy and mineral-laced, bringing the wine to a mouthwatering close.
