

FLORA SPRINGS
GREAT TASTES

MARCH 2017

Fond Memories

I hope that many of you were able to attend and enjoy our 15th annual Trilogy Release Party in February. I still remember one of our earliest, back in 1985, (before we held annual Trilogy Release Parties). It was my job to check the guests in and facilitate signing the comment book. I will always remember the comments of our next door neighbor

before my family moved to Napa Valley in 1978. He wrote *"John, I can't believe you pulled this off. And to think we thought Napa Valley was a desolate island. Congratulations, and here's to making wine lovers out of the old neighborhood!"*

All the Best,

Nat Komes, General Manager

2014 Trilogy

The genesis of Trilogy dates back 30 years, to 1984 when our family set out to make the best wine possible by selecting the highest quality wine lots culled from our estate vineyards in Napa Valley. By blending Cabernet Sauvignon, Merlot, and Cabernet Franc we created one of the original Meritage wines. Over the years we've added other Bordeaux varietals to this Cabernet-based blend, always seeking to create the very finest wine from each individual vintage. Our 2014 Trilogy brings together the finest lots of Cabernet Sauvignon, Malbec and Petit Verdot from our estate vineyards in Napa Valley. Dense, concentrated and stunningly rich, this gorgeous Napa Valley Cabernet Sauvignon overflows with blackberry, sweet cassis and black cherry fruit, layered with warm cocoa, licorice and a touch of tanned leather. This is a succulent, fleshy wine, with warming notes of vanilla and oak, cola and cardamom. It has a firm yet fine tannic structure and a sturdy, full-bodied profile that will serve it well into the next decade.

2016 Napa Valley Pinot Grigio

Flora Springs' first wine to be released from 2016, our Pinot Grigio is from the Oak Knoll appellation of Napa Valley. This region in the mid-south of the valley experiences cool temperatures as well as lingering fog, making it a desirable area for growing the Pinot Grigio varietal. The thin-skinned grapes were sent directly to the press in whole fruit clusters in order to gently extract clear, beautiful juice. The juice fermented to wine in small, stainless steel tanks at a cool temperature in our cellar, retaining the delicate varietal's pretty fruit character and bright acidity. This young wine begins with fresh aromas of lemon, pear and white nectarine along with hints of honeysuckle. Similar flavors on the palate get a boost from crisp notes of key lime, with soft notes of cinnamon and honey. This is a cool, refreshing sipper meant for early enjoyment.
