## TRIOLOGY

23<sup>RD</sup> RELEASE

**93 Points** Robert Parker's The Wine Advocate "...a Napa Valley version of St-Emilion blended with a Margaux."

**91 Points** Wine Enthusiast "...shows its Napa origins in ripeness of fruit and classy tannins."

### Winemaker Notes

Flora Springs has built its legacy on beautiful and complex wines that can be enjoyed either as young and vibrant or as cellared and graceful. The 2007 exhibits all of the classic Trilogy attributes with a lovely cassis and cherry bouquet as well as huge black fruit flavors that envelope the palate. Each varietal is vital to the outcome – the Cabernet exhibits black cherry and dark cocoa character, while the Merlot carries these flavors to the back of the palate for an everlasting finish. Unrelenting with power and grace, the 2007 Trilogy, our 23rd release, beautifully marries the complexity and elegance of our earlier vintages with the sheer bravado of our favorite vintages during the late 90's.

### On the Vine

Perched on the bench of the Mayacamas in the far northwest corner of the Rutherford appellation, the location of the Flora Springs Estate is enviable. In 1984, we set out to make the best wine possible by hand-selecting the highest quality lots from our estate vineyards. Using a blend of three Bordeaux varietals - Cabernet Sauvignon, Merlot, and Cabernet and Franc - we created Trilogy, one of the original Meritage wines.

Now a Napa Valley benchmark, Trilogy represents meticulous sustainable and organic farming practices, along with the evolution of a wine style created by the Komes and Garvey families. Over twenty years of Trilogy later, the goal remains the same – to handcraft the finest wine possible from the Flora Springs Estate.
