

FLORA SPRINGS

NAPA VALLEY FAMILY ESTATE

Founded in 1978 by the Komes and Garvey family, Flora Springs is an endeavor that spans over four decades and three generations. The winery is named after beloved family matriarch, Flora Komes, and the natural springs that flow uninterrupted through the hills of western Napa Valley where the family makes its home.

OUR FLAGSHIP WINE

Trilogy - One of Napa's Iconic Cabernet Blends

Trilogy is Flora Springs' flagship wine, one that dates back to 1984. Trilogy combines three distinct yet interconnected elements: longevity in farming, innovation in winemaking and an enduring commitment to making the finest possible wine each vintage.

"One of the iconic proprietary red wines in Napa Valley has long been Flora Springs' Trilogy."

- Robert M. Parker, Jr.

Over its long history, Trilogy has garnered consistent recognition by critics and consumers alike and is admired both for its approachability and ability to age.
