"...medium to full-bodied, ripe, concentrated, satisfying effort has lots of blueberry and darker raspberry-like fruit, some chocolaty oak and dusty minerality, ripe tannins, and a great finish. I love its overall balance, it has notable purity." - Jeb Dunnuck, Feb 20, 2024

**96 POINTS: PUBLISHERS' PICKS, *Tasting Panel***

"Suede-textured entry with concentrated blueberry bramble and a sprinkle of white pepper. It has an approachable, caressing nature with a mocha-mint middle. An embrace of graphite adds to the concentration, with a soil-rich core, reminiscent of Pauillac..." - Meredith May, February, 2024

**BAY AREA REVIEWS, *Check, Please! Bay Area, KQED***

"A worthy splurge that belongs in your cellar and on your dinner table (just make sure to decant it for a few hours before sipping!)...Flora Springs flagship bottling named Trilogy. Now in its 38th bottling, the winery has renewed its commitment to their pioneering Napa blend, which is evolving but has stood the test of time. A Cabernet Sauvignon-focused blend with added complexity from Petit Verdot and a dash of Malbec, it's layered and structured with dark berry fruit purity and hints of herbal notes.." - Leslie Sbrocco, February, 2024

**93 POINTS: THE 26 BEST RED BLENDS FOR 2024, *VinePair***

"This is the second time we have listed this wine. It just keeps getting better. The red blend category may be new in the social consciousness, but Flora Springs has been doing it for a long time and this is their flagship wine. It has a big nose with bold fruit and black peppercorns. The palate is excellent with grippy tannins and just enough acidity to keep the wine even..." - Keith Beavers, February, 2024

**9/10: VINOGRAPHY UNBOXED: WEEK OF 2/4/24, *Vinography***

"Very dark garnet in the glass, this wine smells of sweet cherry, blackcurrant, and sweet oak. In the mouth, blueberry and black cherry fruit is ripe and juicy with excellent acidity and the sweet vanilla of new oak. Lightly drying tannins add texture to the wine, as the sweet fruit and sweet oak linger in the finish. Very polished." - Alder Yarrow, February, 2024
